BBQ at Les Creux Bowlers Bar & Bistro

39 members attended the BBQ at the Bowlers Bar & Bistro on Saturday 24th July (not to mention the names of the 2 who forgot to go!)

By all accounts it was an excellent buffet laid on by Mathew and his staff and being the first social event since the AGM there was much to talk about. Coincidentally it was Don Ecobichon's 82nd birthday on that day. Doesn't he look well

Petanque and Picnic Sunday 22nd August

What a great turn out of 46 members who attended the annual event at St Martins Parish Green. 30 members played Petanque whilst the others just came along to watch the games and enjoy each others company in what was glorious weather. There were some very closely fought matches but in the end it was Alan Le Maistre with Richard Lennard who beat Graham Knight and Collette who won. As Dave Ellis could not attend due to undergoing an operation John Le Gallais presented the coveted trophy.

Petit Train to St Aubins Thursday 30th September 2pm

Collette has arranged for us to travel on the Petit Train to St Aubin where you can either have afternoon tea or just go for a stroll around the village. The train will depart from the Liberation Square at 2pm, returning later on the Train. Cost for the Train will depend on numbers as they have said we will get a group discount and even better price if we book the whole Train. Collette needs to know numbers so please let Collette know asap and by no later than the 20th September if you wish to go along.
