### Film Evening

Many thanks to John Williams for yet another great film evening. After a short film of humorous clips John put together clips from past theme evenings. Weren't they such great fun? After a break for coffee and biscuits we then enjoyed extracts from every club rally since the first in 1997. Lovely to see some great times and old faces but very sad that a number of them have passed away.

### Club Breakfast

Despite some members not attending due to concerns about catching covid, 28 members enjoyed another excellent value breakfast at the Seascale, Gorey. Whilst a few members from the west of the island have requested we move to a more central location the majority thought it to be good value and we were well looked after. Thanks to Glenda for organising it and she has now booked the same again for the last Saturday in January 2023

## February Bowling Evening

Whilst only 12 members went along to actually bowl the event is still as popular as ever with a total of 33 attending. It just goes to show it is the social gathering and presence of food that pulls us all together!

With 12 bowling we were split into 2 lanes and the eventual top scorers were Audrey Gallichan for the ladies and equal top Don Le Quesne and Dave Killip for the men. After the game we all enjoyed a generous buffet spread. Many thanks to Collette for organising the event again.

## A Message from your president Dave Ellis

Dear Fellow club members

I write with a heartfelt plea to you all.

I am sure you are aware that over the years we, as a club, have always been well served by an enthusiastic, efficient and hard-working committee. There have, of course, been changes of committee members over the years but the dedication to their club has always been first class. The time has come when three of the current long standing members and one of the officers have decided that it is time for them to stand down.

I am therefore appealing to all members to seriously consider letting their name go forward at the AGM as a committee member. I am aware that some of you have served in the past but maybe you feel that having had a break you are ready to serve the club again?

It is not an onerous task, we meet 4 or 5 times a year, usually in the mornings and meetings only last an hour or so and that is allowing time for a chat and a laugh and a cup of coffee. We no longer spend time cooking for the Theme evening and decorating the hall and all those things that used to take up a lot of time and effort. It really is now just a question of organising future meetings but it does have to be done.

We might be able to persuade some of the current committee to stay one more "very last year" but that really is it and I would have to say with great sadness that without new people coming through for the committee the AGM of 2023 will be the closure of the club, we cannot run without a committee. So please seriously consider if you can help the club to continue to provide a great venue for all of us linked by a previous or ongoing love of all things camping.

Dave Ellis

President

## Newsletter Editor

Following on from the message from Dave Ellis I regret to advise you that I am one of the committee members who will be standing down as your Newsletters Editor at the AGM. Having served on the committee for 12 years I would like a break and it is time for someone else with enthusiasm to take on the role. I would like to say it is not too onerous with primarily the need to keep members updated on club news and forthcoming events. I would be most willing to help anyone interested in taking on the role.

## AGM & Spring lunch

The AGM followed by a lunch will be on Saturday 2<sup>nd</sup> April at the Prince of Wales, Greve de Lecq. **The AGM will start at 12.30 prompt** so please get there in ample time to park and be seated. N.B you will not be able to vote unless you have paid your subs before the meeting. Attached below is the menu which is £30 including coffee and mints and the service charge. Please return your menu choices and payment to Mary by no later than the 25<sup>th</sup> March. Please note Dave Ellis's message about the future of our club

## June Rally to Domain du Logis from 16<sup>th</sup> June.

As we do not have a rally organiser at the moment and fewer members still have caravans or motorhomes there will not be a formal rally this year. Instead, there will be an informal gathering from the 16<sup>th</sup> June when some of our members intend to be at the Domain du Logis. Although nothing formal will be organised there is bound to be a group dinner in the campsite restaurant and most likely a group dinner in the recently acquired restaurant by Miguel and Delphine in Combourg. Oh, and of course the usual group BBQs and the occasional drink or two!

## Attestation d'Accueil

An attestation d'accueil is a certificate that non-EU citizens visiting friends and family in France may need for short trips.

This has only become valid to UK citizens since Brexit and I have read reports of some drivers being checked on arrival and others in general road checks.

**If you are in your car, camper or with a caravan and do not have an attestation d'accueil or accommodation booking and are checked you will need to show you have funds of 120€ per day per traveller for the duration of your time in France. For further information and where to obtain one use this link:<https://www.leggettpm.com/en/attestation-daccueil-what-is-it-do-i-need-it-and-how-do-i-get-one/>**

### **Club Subs**

After a year when we have not had to pay any club subs it was agreed at a recent committee meeting that the club subs will remain unchanged at £18 per person and £36 per couple  
These are due in January and must be paid no later than the AGM in April. Failure to pay by then will mean you cannot vote at the AGM and you will have to repay the joining fee.
